

Good Morning friend and family... 30 March, 2008

For those who care to count I have now served a total of 20 months for refusing to compromise truth and the law to the benefit of our "rogue agency that is wholly out of control" Trent Lott, 1997). I remain highly blessed and totally dedicated to the healing of our land, which of course requires humble repentance and turning from our dead works to surrender control to the same Divine Providence that first gave us this Nation dedicated to the furtherance of the Kingdom of God in the Earth.

This week I celebrate the 20th Anniversary of our Kingdom dedication at Table Mesa Rd, Exit 236 off I 17; Thursday to be exact. I note that it falls in the middle of this year's celebration of the Feast of Unleaven bread by our anti-Christ judaism practitioners. This week they use the symbols of Jesus Body and Blood to cry out for the Meseiah, whom we celebrated last Sunday as already resurrected and now reigning as King of Kings, Lord of Lords, our only high priest forever. Seems that this timing is rather interesting as God works all things together for our good as we serve Him.

Yesterday I had the pleasure of walking and talking with two of our newer people as they asked questions and dealt with useless distractions such as the conspiracy theories, Gold Fringed flag, and powerful Satan. Obviously they already had the truth but had been distracted in looking for someone to blame, rather than accepting personal responsibility for where we are in our families, churches, cities, and Nation.

We were about 20 who gathered on that April 3, 1988, and we sealed our dedication to the King and Kingdom by communion, solemn promise, prayer, and our signatures as the seal to give notice to all secular government that we would Obey God rather than man to the furthering of HIS magnificent Kingdom in the earth, beginning in that humble place and ceremony, even to the ends of the earth.

For those who added their names in agreement (where 2 or 3 agree as touching anything) 12 in number to symbolize the 12 tribes, which are actually 13; and we linked to the 13 original states, 13 stones in the altar, and the best God would inspire me at the time to write and publish for his glory.

As follow up; after 7 years for perfection 12 of us signed to declare and witness Jesus Christ's total and complete Allodial ownership as declared in Psalm 24:1. The original notice and claim were recorded in 1988, and served on government at all levels. The Allodial ownership was signed May 25, 1995, and recorded 5/30/95, again being served on political government at all levels.

It is worthy to note that in 1988, coincident with that original filing in God's magnificent timing I filed Quiet title suit in USdistrict Court against the United States (federal political government) and IRS. The DOJ and District Counsel effectively ran for the hills and admitted everything I asked in the suit; the

court in December, 1988, dismissed the suit as moot. I was too unlearned at the time to amend and protest so that there would be an actual order. Instead what I got was complete relief, classification as not required to file a return or pay a tax, and further classified as uncollectible. Perhaps, had I followed through to an order it would have further prevented this action; but not likely. All the Attorneys and agents involved in 1988's education and correction have long since retired, and even those who have 18 or 20 years now in service were too green and new to have even been informed.

I noticed as I was preparing this letter that my refresher notice to Bureau of Land Management was received by them on the 14th Anniversary of that original celebration and dedication, 4/3/2002. I maintain a great expectation of what God's great timing will have come to be in or around 4/3/2009 the trinity of 7 year perfections and releases of all debt. Praise Father, Son and Holy Spirit! Great things lie ahead for me and my America as the nation whose God is the LORD.

**NO SOVEREIGN BUT GOD AND NO KING BUT JESUS** remains our dedication.

I do not know how many of those men who met at Table Mesa Rd in 1988, or even those who signed the Allodium in 1995 remain alive, much the less dedicated to the furtherance of the Kingdom of God in this earth and nation. I know that JW died still dedicated to God and Country; and that more than the requisite 2 or 3 in agreement continue to stand, having done all to stand, and fight on for truth and love in our Nation brought about by Divine Providence, for its repentance, turning and healing.

We as a society and people have been far too dedicated to idol worship of self for far tooooooooooooooo long. It is time that we stand in honor of God as the sovereigns of the Country and restore honor and honesty to our servants in government.

Oh yes we can succeed; Jesus is incapable of lying and He promised that whatever 2 or 3 of us agree as touching will be done unto us by the Father. We can know and do all things that are good for the KINGDOM of God through HIM who strengthens us. Restoring righteousness and justice in our courts is just one tiny little task, in which I am currently engaged.

God's calling has not changed..... CHOOSE YE THIS DAY WHOM YE WILL SERVE..... He is the one who has placed before us good and evil, right and wrong, blessing and curses, life and death.... and instructed us in the best choice... choose ye therefore life... AS FOR ME AND MY HOUSE WE WILL SERVE THE LORD.. and though at the moment it appears that my house is none but me I remain that one of a family, and one of the needed 2 for my city dedicated, standing in the gap, rebuking all evil, resisting with high expectation of imminent fleeing 7 ways or more.

Yes, I would love to be home with you all; but not at the price of eternity.

We have sampled too many of her pleasures and benefits, and now suffer her plagues as prophesied in Revelation 18.

LOVE YA LOTS      jc3
