

CAN YOU IMAGINE A COUNTRY WHERE:

every bureaucrat in every agency could operate by different laws?
each judge could make his own interpretation with no control or supervision?
every criminal act of a government agent was protected by immunity?
none of the laws could be read or understood by the people?
every lawyer was completely protected by his peers in Robes, Suits, and
its congress?
lawyers made and carried out all laws in secret coded language?
every word had whatever definition suited the local bureaucrat with no
control or supervision by Courts?
words could define themselves and change from one bureaucrat to another?
none of the Constitutional limitations have to be respected by judges?
there is no limitation on the powers to tax?
the Congress has no fear of being "CHECKED OR BALANCED"?
judges are totally immune from prosecution or discipline?
no government agent is ever held accountable for damages they do?

WHERE COULD SUCH A COUNTRY BE?

Iran? POSSIBLY

Russia? PROBABLY

United States of America? ABSOLUTELY CERTAINLY WITHOUT QUESTION!

Just take a look at the record in my case or any other true patriot who opposes government oppression through taxation without representation.

OOPS! Wasn't that what the Boston Tea Party was about?

Wasn't taxation one of the issues in the Declaration of Independence?

Didn't the Founders prohibit such a thing?

DID YOU ACTUALLY THINK THAT THIS IS A NATION OF LAWS AND NOT MEN?

Did someone tell you that everyone had to follow the law?

Or was it just that all the citizens were slaves to tyranny? After all you can not fight city hall. It is totally run and controlled by the lawyers cursed by King Jesus.

People are required to tell the truth in Court but Lawyers are licensed and authorized to lie by judges in some secret coded system.

THE LAWYERS HAVE TRULY HIDDEN THE KEYS TO KNOWLEDGE IN THEIR SECRET CODED LANGUAGE THAT THEY AS CONGRESS USE TO MAKE LAWS TO PROFIT LAWYERS AT YOUR EXPENSE, AND WHOLLY PROTECTED BY JUDGES WHO ARE IMMUNE FROM ANY TRUTH OR EXPOSURE BY OTHER JUDGES: AND LAWYERS.
