Hi Rich,

Did you get your car back?  
My clemency first hearing is in  
April sometime. Don't have those details  
yet though.

My family is holding up well  
for ~~what~~ what they have to deal with.  
I am very blessed to have a totally  
awesome family and friends.

I can't receive postcards but you  
can always send me pictures of the  
group! I hope it is going well for everyone!

I wish I could be there to help.

you can send me newspaper articles printed  
out. I like to keep a breast of what's going  
on.

I get out everyday to the rec. yard  
for an hour at least. Thank goodness. I just  
read my bible and any other things I can  
get my hands on. I am trying to get  
some books by Dan Brown.

Thanks for writing me! 😊

Take Care

Love & Blessings

Shannon
